Lori Chaput joined Partners Insurance Group with nearly 30 years of experience in the insurance industry, specializing in improving and implementing procedures to increase efficiencies and increase profitability. She began her career at John Hancock Insurance in Boston for the European General Agency. She later served as Chief Operating Officer at Berry Insurance Agency. Prior to joining Partners, Lori ran her own insurance agency consulting business in which she streamlined agency operations and developed work flows and procedures. She is well-versed in production reporting, account management, and consulting.

Lori holds licenses in Property and Casualty and Life and Health. She also holds a Life Insurance Sales and Marketing Certificate, and is a Certified Professional Insurance Agent (CPIA). Lori attended Dean Junior College and the University of Lowell. She is past President of the MA/RI Chapter of Applied Systems Client Network and now serves as the Chair of the Chapters Committee. In July 2017, Lori was one of 15 women named to *Banker & Tradesman's* prestigious "Woman of FIRE" list; the annual award acknowledges key players in the local FIRE (Finance, Insurance and Real Estate) sectors. In September 2016, Lori received the Gold Circle Excellence Award, which was presented at the Applied Net 2016 Conference.

A resident of E. Freetown, Lori is committed to helping others, and has volunteered her time and efforts with community organizations such as Gifts to Give and Pine Street Inn.
